ZEBI03W/00

Built-in wireless charger

10W Fast charge

Ultra thin design (5mm)

## Product Description

This built-in wireless charger enables you to create a wireless charging spot almost effortlessly and enjoy the freedom of wireless charging wherever you may need it. On your nightstand, kitchen, desk, your (home) office, etc., all you need is a perfect spot and a standard eight mm drill. It doesn't get any easier. Minimum effort for maximum result.

The charger is just 5 millimetres thin and requires only a very small 9mm hole for perfect installation. Easy to install for anyone and with minimal change to the furniture. Both charging solutions come with an extended warranty period of 3 years. The charger has a diameter of 84 mm.
